Rentals; Rentals on the other hand are doing quite well, with several lower and upper rentals between now and the end of the year and 5 already for 2019! Thanks to Bill White, Jim Moore and Dave Styx helping out and LeeAnna Kloack co-directing next year rentals are going smoothly.

3 Property Rentals

As you all may know we have two properties that are managed by the club. This allows the club to generate revenue during the slow/winter months. As property manager I will be looking for a few volunteers this spring to help with the demolition of an out building at the modular home. Dates and

times will be determined at an upcoming board meeting. Also I would like to extend my appreciation to Todd Sherard (spelling) for all the quality work and promptness working with me in maintaining the properties for our tenants.

Thank You
Eric Campbell
Property Manager

The presentation we had on deer management and food plot preparation was a huge success! We had almost 40 people attending.

We had a hunter safety class in August, Everyone in the class passed! I want to thank Richard for taking his time on an early Saturday morning to come out to the club and

run the trap house so they could have their hands on gun experience.

Remember everyone using tree stands and harnesses to check their expiration dates on them.

they are only good for a few years.

Just a reminder If you are interested in State of Michigan Bow certification we can have it with your Hunter Safety class certification

Happy new year
