I would like to invite all of the members and any guest to the September 9, 2017 Club Picnic. It will start at 12 noon and continue until we all leave. The flyer is on the website and included in this Newsletter. Please bring a dish to pass. We also continue to have trap shoots every Wednesday at 5pm. Archery will also have a new 3D shoot league starting in August.

Just as a reminder, we have a list of items to

help the Club maintain its Club house and other buildings. Contact us so you can help and get work tickets to reduce next years membership fee. Thank you

David Styx President
Jackson County Outdoor Club

Next Board Meetings:

- July 5, 2017 and August 1, 2017 at 7pm.
- Please note there are no Membership meetings in July and August.

2 Kitchen & Rentals

We have passed with flying colors the 6 month County Health Department June inspection of the Club's kitchen. Our insurance company is having us install a fire suppression system for the kitchen hood. We are in need of a volunteer to cook breakfast once a month, if interested please call me at 764-2352. Rentals have picked

up somewhat but not as good as in past years. Card night has also picked up with 7 to 9 players every second and fourth Saturday evenings at 6:30pm. Thanks,
Dave Wilson

Director

The trip to South Dakota went very well and a good time was had by all! If you get a chance, ask Dave Teriaco about leaving a mark on the ceiling of the Casino in Whit River. The first two days were a little slow with cooler temperatures and over-cast skies. The next two days were picture perfect with clear skies and temps into the high 70's. After the tally was in, me and my shooting partner, Denver Hayes shot just shy of 3,000 rounds in four days! If

you figure a 15-20% connect ratio that is a lot of dogs. We barely made a ripple in the population of Prairie Dogs in South Dakota. If you think you might be interested in going next year, let me know and I can fill you in on all the details for next May.

Summer activities like Trap and Rimefire Challenge are well under way. If you would like to try either activity just show up and we will help you

get started. I hear from a lot of folks that they always wanted to try these activities but don't know where to start. We are always willing to help someone get started. Thanks to those that have helped with the mowing of the grass at the club, it is looking good! We mow every Wednesday morning starting at 7am and go until about noon. If you want a chance to earn some work tickets or just give a hand, come on out, we can use the help. Glenn McJennett

7 News Letter & Social Media

The JCOC website at www.jacksoncountyoutdoorclub.com is a great place to visit. You will find a calendar with a list of all upcoming events. Also, there is a "news" section with important information

that is useful to all JCOC members. For June we had 53 "new" visitors to our website. There is comprehensive information regarding all aspects of JCOC, rental fee guide, list of officers and directors,

copies of past/present newsletters, shooting/archery range information, membership information, and many photos of club activities. If you have not visited our website, please take a look, you will not be disappointed. The website is updated weekly so you may find new information there at any time.
