- August 2, 2022 7PM Board Mtg only—Members welcome!

News from the President

Well, July is almost over, and August is coming quickly. I would equate our summer as excellent. A few very warm days and mostly cool evenings. Hopefully, everyone is enjoying their summer. Remember the snow will return.

Your club has many clubhouse rentals for the year. Dave W. and Leeanna K. do an excellent job showing and booking rentals. Thank you.

Both of your club's rental units have been vacated. After upgrading the modular, and possibly the trailer, one or both units will be available for renting. We anticipate significant expenditures on upgrades and repairs. Availability for renting will be posted on Facebook when the unit(s) are ready.

The Jamie McKibbin Memorial archery shoot will be August 28th. Proceeds are to be spent on youth hunting licenses at Schupbach's in Jackson. More on how to get a "free" youth license in the August newsletter. The Thursday evening

3D outdoor archery league begins on July 28th. Visit our webpage at www.jacksoncountyoutdoorclub.com, or our FB page to see a flyer with details.

Wednesday night trap at 5pm is still operating and will continue through the last Wednesday in October. We have two voice activated trap machines so there is no waiting to shoot. The shoots are OPEN TO THE PUBLIC so join us for some great fun. I have been told the price of shells is dropping and Walmart in Jonesville has a large supply.

The August meeting will be a "Board" meeting only at 7pm. Members are welcome to attend. If you are a "new" member you must attend a meeting to be approved and receive your membership card.

Enjoy the remainder of your summer, winter will return.

Richard Alan Griggs,
President

Board Meeting Notes

The July Board meeting (with 20 attendees) was held at the clubhouse on Tuesday, July 5th. The following actions were discussed or taken:

- 6 new members attended and were approved. Welcome!
- Richard Griggs turned in \$653 from June Trap activities.
- The road sign on 127S was repaired by Norm Zakarewski.
- Dave Wilson/Kitchen & Rentals turned in \$2,070 rentals. Clean up help was secured for all July rentals. \$6.50 was turned in for pop can/bottle returns. A bill for \$159.09 was submitted for the new camping rules sign.
- Tammy McFeters/Membership reported 9 membership were processed in June. Membership sits at 374 adult members. Richard Griggs reported notice was received from PayPal that they were increasing their fees.
- Mark Baldwin/Rental Property reported that both renters were notified on July 2nd that their leases were not being renewed. It is anticipated that both properties will be vacated in a timely manner.
- Chuck Drevitch/Waterfront reported that the dock has been overrun by geese this summer. Boards on the dock have been replaced and that ongoing scrubbing of the dock is being done due to the geese. A maximum of \$200 was approved to address the geese issue and dock repair issues.
- Max McFeters reported that the cost of fencing the upper level walls would run about \$2,904. This does not include installation costs. This topic was tabled until next month.
- Gravel previously authorized has not been ordered as the vendor no longer spreads the gravel, just dumps it in one location. Richard Griggs is investing further.
- Discussion of setting a table up at the Grand River Farmers Market advertising the club on September 16th was tabled.
- A one year subscription to Office 365 at \$69.99 was authorized for the Membership computer.
- The Outdoor 3D Archery Thursday League was approved. The League will run from July 28th to September 8th. Rifle/pistol ranges will remain open. The League is open to the public.
- A Committee consisting of David Teriaco, David Wilson, Norm Zakarewski, Mark Baldwin and Judy Speed was established to review and create a new residential lease agreement for the rental properties. Once vacated a date will be established for Board members to view the properties for any needed maintenance.
- Max McFeters reported on attending the June MUCC Annual Convention. Several resolutions were passed at the convention including one to halt virtual hunter safety training and require that they be held in-person again. For more details visit mucc.org and read the June 30, 2022 blog on the Convention.
