Next Jackson County Outdoor Club Meetings:

- July 7, 7PM Board Meeting
- August 4, 7PM Board Meeting
- September 1, 7PM Tentative General Membership & Board Meetings

Hope all is well with the members of JCOC. The past few months have been hectic at best, for everyone. Your club has lost much revenue in the form of rental cancellations and trap shooting. The good news; our expenses have been minimal. Things will improve. Trap began on June 17th and we had twelve shooters.

The club still intends on holding Hunter Safety as soon as the DNR will release materials needed to conduct the class. The date(s) will be posted on the website and Facebook when determined. The DNR has a site on the internet where you may take the written portion of the class. You still have to go somewhere and take the physical portion.

Your club had the floors in the main banquet room, kitchen, storeroom, and bathrooms stripped and waxed. The floors look great. Other than absolutely necessary expenses your club intends to keep expenditures at a minimum for 2020. A second wave of the virus and another shutdown by the governor could create more

revenue loss. Hopefully, neither will happen.

For those who were unaware, your private club grounds were available for hiking and shooting during the governor's executive order's as long as you applied the governor's recommendations. Since the club does not have any employees and the shooting ranges are used on an individual basis with no assistance from additional persons the ranges were not specifically closed. The boat ramp was closed per governor's orders, but is now open. The outdoor 3D archery range with 30 targets was also available to individuals.

There are 3D archery shoots on the schedule and trap shooting on Wednesdays at 5 PM is in full swing. At this time there are no other events are scheduled. Check our website at www.jacksoncountyoutdoorclub.com or Facebook for up to date information. Both sites are maintained by me and will always be current with information.

From the President continued...

Enjoy your summer. Our country is strong and vibrant, a vaccine for the virus will be coming and hopefully all this "stay away" stuff will become a distant memory. Stay safe and thank you for being a member of a very good club.

If you are a "new" member and have not been approved for membership please appear at the July 7th meeting at 7 PM for introduction and approval. This will be done at the beginning of the Board Meeting then you may leave. Thank you.

Richard Alan Griggs, President.

Hall Rentals

Due to Covid-19 we have had to cancel several rentals. As soon as Governor Whitmer moves our county into Phase 5 we will be able to hold more rentals. We have purchased a chemical fogger to sanitize contact surfaces after each rental.
