News from the President

So, summer has finally arrived and so has the monsoon season. There has been a lot of rain, too much in my opinion. I mow grass, it rains, and I mow grass again. Probably a lot of you in the same boat. Hopefully, the rain gods will save a little rain for July and August. I am a Kentucky transplant, so I really enjoy the hot weather.

Trap shooting has good attendance. Join us on Wednesday nights at 5 PM for a little fun and the smell of burnt gun powder. Five dollars for everyone, except youths under 18 shoot for three dollars. The price of clay pigeons has increased by three dollars per box, but our shooting prices will remain the same.

July 5th and August 4th will be a Board Meeting only, as usual. Members are welcome to attend. If you are a "new" member you "must" attend a meeting and be approved and receive your membership card and one free JCOC logo cap. There are exceptions if you have a legit reason for being unable to attend a meeting.

Our annual "Traditional Archery Rendezvous" will be July 28th-31st check our web page and Facebook page for information.

The board approved the purchase of gravel (\$1200.00) for the lower parking lot and as soon as we get a

week of predicted dry weather the gravel will be delivered and spread.

All tile floors downstairs were stripped/sealed/waxed the last week of May. Cost was \$895.00. Your membership money at work. Thank you.

Good catches of panfish and bass have been reported from Ackerson Lake. The ranges are busy as always. Hope all are enjoying their summer.

The club anticipates having the modular home refurbished and posted for rent, in the near future. The grounds keepers are doing a fantastic job, the grounds look spectacular, thank you. Overall, things are going well for your club.

Check out your club's Facebook page or webpage at www.jacksoncountyoutdoorclub.com the pages are "always" current and have club news for you to read.

Enjoy!
